EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Timothy Kang on 12/07/05.

The application has been amended as follows:

- A) In claim 1, line 1, change "an electronic device" into --- a plurality of electronic devices ---.
- B) In claim 1, line 4, after the word "thereof," insert ---said racks configured to house a plurality of data center components at a plurality of location along each of the plurality of racks ---.
- C) In claim 1, line 10, after the word "converters" insert --- and the electronic devices ---.
- D) In claim 1, line 12, change "converter" into --- converters ---.
- E) In claim 1, line 13, change "device" into --- devices ---.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: the prior art fails to disclose, in combination with all the limitations, a system for using the waste heat to provide power to a plurality of electronic devices, using a plurality of racks and converters and further disclosing that each of the plurality of racks houses data center components and the converters and the electronic devices are attached to each of the plurality of racks. Moreover, the prior art fails to disclose, in combination with all the limitations, using a thermal conduit in thermal connection with a plurality of heat pipes and the converter and the thermal conduit conducting heat from the plurality of heat pipes to the converter and the racks categorized into micro grids within a data center and the converter supplying power to an uninterruptible power source configured to supply power to enable a safe shutdown of the data components in the event of a power outage.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Julio C. Gonzalez whose telephone number is 571-272-2024. The examiner can normally be reached on M-F (8AM-5PM).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Darren Schuberg can be reached on 571-272-2044. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
